**TO WHOM IT MAY CONCERN**

This is to certify that **Mr. Parantap Mishra** has worked with us as an **Intern** from **January 6, 2025 to May 6, 2025**

He has learnt the tech skills and tools like Python language, Flask for rendering HTML in Python for front end, MS SQL Server, connection of MS SQL with Python and data fetching, Jinja2 for templating and Highcharts library for graphs & data visualization.

Using these tools, he has worked on a project and developed a data dashboard web application which is dynamic in nature and displays the data in tabular form with filters (based on varied parameters of the data available) along with timeline graphs for better data visualization purpose.

While working with our organization, we found him sincere, hardworking, enthusiastic and trustworthy.

With Best wishes,

Sincerely,

**Shaleja Mahajan**
